## / A SUMMARY OF ACCOYA® WOOD

A new world of sustainable and low maintenance windows and doors is available using Accoya® wood.

The result: a durable, dimensionally stable, reliable and beautiful solid wood with the performance characteristics of the most durable tropical hardwoods, but offering industry-leading environmental credentials.

- Accoya® wood windows and doors can be expected to last at least twice as long as engineered softwood before replacement
- Low risk of windows and doors jamming in humid conditions

- Coating maintenance intervals can be expected to be twice as long on Accoya® wood
- Accoya® wood windows and doors contain no biocides
- Thermal conductivity is improved in comparison with softwoods and hardwoods
- Accoya® window frames are now classified as Carbon Negative over their full life cycle

Based in West London, we are a traditional joinery business employing joinery specialists with bags of energy and talent. Our experience in the construction industry is wide, we began offering our joinery services while carrying out larger building contracts and have gone on to specialise in this field.

The magic in going bespoke is that you can put your own design spin on things. This takes into account your individuality, personality and decor. No other solution will ensure that furniture fits your space exactly while meeting your aesthetic needs.
